We are so grateful for the ways you support the children at home. We are always keen to find out what you have been doing together so please bring your home learning book into school when you have completed any of the activities or any other home learning. The following set of activities provide families with an optional menu. Please choose the areas your child would like to complete. We have given a suggested date for completion but are happy to receive learning after this date.

The menu of tasks below can be completed in addition to reading, spelling, maths and handwriting.
