10 day Active Travel challenge

Our school is taking part in South Yorkshire Safer roads Partnership 10 Day active Travel challenge starting Monday 11th June until Friday 22nd June.

The challenge is for all pupils and their families to choose an active way of getting to school over the 10 day period. There are prizes for everyone who completes the challenge as well as class and school prizes. Walking, cycling, scooting and park & stride are all active ways of traveling and we hope that by taking part it will

- Improve the health and well-being of pupils and families
- Encourage pupils and families to be more active
- Reduce congestion and parking problems around our school

During the challenge each class will have a wall chart on which pupils who have travelled actively will record their journey by adding a special sticker to the chart. Those pupils with 10 stickers at the end of the 10 day challenge will be awarded a prize.

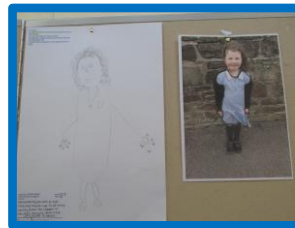

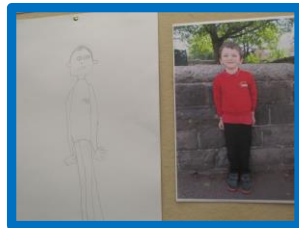

Please be aware, if you live a long way from school and need to drive your child can still take part if you park at least 5 minutes' walk away from school and walking the last part of your journey. This is called Park & Stride.

Health & Safety

Please be aware that after school parents and children must vacate the premises by 3.30pm to ensure your child's safety. After school we carry out the cleaning of the premises, arrange any premises remedial work to be carried and on occasions, use the playground for parking for visitors.
