

October 2013

Dear Parents, guardians and carers

Stannington Infant School PFA would like to welcome all new parents to the school and hope their children are settling in and enjoying themselves. We are a group who organise events and fundraising activities to raise money for the school and pupils. We appreciate any help or support from parents, carers and grandparents.

Carboot Sale

Many thanks to everyone who supported the carboot sale. This was a joint effort with Nook Lane and was felt to be a success. We raised £449.10 in total from fees from sellers and refreshments sales. This will be split between the schools. We hope to be holding a further carboot in the spring when the weather improves.

Christmas Gifts

All children in school have brought Christmas card designs home these should have been returned to school by Friday 25th October.

The children have all drawn a self portrait for the school tea towel. Orders for these will be taken after half term and they will arrive in time for Christmas.

You should have received a brochure for wrapping paper cars and other stationary. The orders for this are due in on 11th November. 77p from every item ordered goes to the PFA funds.

Bags 2 School In July we raised £120.00 through the Bags2School scheme. Another collection has recently been undertaken and we should have the funds from this soon. We will continue to have these collections so keep hold of old clothes for the next one.

Non- Uniform Day - Friday 20th December Pupils can pay £1 to not wear their uniform to school. All proceeds will be spent in school. Can pupils please bring a £1 on the day; there will be a collection pot in each classroom.

Christmas Carol Concert

Our 1st carol concert was very popular last year and will be held this year on Friday 13th December. This event really got the festive seasons off to a marvellous start last year. Tickets will go on sale in November

PFA Meeting

The next PFA meeting is on Tuesday 12th November at 8pm in the Peacock. We are always looking for new members and welcome all offered help!

Musical Garden

We have raised enough money to buy the first items for the musical garden. The teachers are currently deciding which items to purchase first. We hope to be able to add to these initial items later in the year.

If you have any fundraising ideas or offers of help please either come to the next meeting or contact us at the below email address.
