

Key Question

What is your favourite board game?

Can you make a better one?

Mathematical Understanding

Place Value – We will be learning what each digit in a number means.

Calculations – We will continue to build on our addition and subtraction skills by applying this knowledge to solve real life word problems.

3D shape – We will be learning the properties of 2D and 3D shapes and how to draw a net.

Measurements - We will be learning to measure to the nearest cm.

Understanding the arts

Music - Do you watch the adverts? We will be learning how to plan and compose a jingle to go with our advert just like they do on TV! 2DF will begin to learn how to play the recorder.

Dance - We will be developing our Dance skills through toy based dances.

Understanding English, Communication and Languages

Story writing – We will be retelling and re writing the story of Where the Wild Things Are.

Persuasive Writing – There might be a change at school! Can we prevent it from happening?

Questionnaires – We will be interviewing Foundation Stage children using our own questionnaires.

Instructions – Do you know how to play a board game? Our instructions will help you.

We will be writing adverts to go with our board games.

Autumn Term 2018

Historical, Geographical and Social Understanding

History - How have toys changed since your grandparents were little? What will toys be like in the future? We will be designing toys for the future.

Social Understanding - We will be talking about toys that are special to us and why.

Science and Technological Understanding

Science – We will be learning about materials, their uses and how they change. How have toys changed over the years?

D.T. - Do you like to play board games? We are going to design and make board games for Foundation Stage children.

Computing – We will be learning how to record and film our own adverts. We will learn how and why it is important to stay safe online.

Religious Education

We are learning about leaders from around the world and how they make decisions that have or can change the way we live. We will learn about different faiths as well.

Enrichment –

Visits to Western Park on 16th and 18th October, the Crucible on 5th November, Graves Gallery on 27th and 29th November and a toy shop – date to be confirmed.

Understanding Physical Development, Health and Wellbeing

PE - We will continue to build on our balance, coordination and agility skills both on the floor and on apparatus.

Health and wellbeing - We will be learning how to stay safe online.

PSHE – We will be sharing our hopes and fears as part of ‘Being Me’ and understanding that we are all different and valued as part ‘Celebrating Differences’.
