Local Offer: Template for Education Providers

- Every early year setting, school and college must outline what their local offer is to children and young people with special educational needs and/or a disability (SEND).
- To help you do this the local authority will publish your responses to the following questions. The responses need to be jargon free, ensure clarity of language and provide information about where to go to get further advice or guidance if needed.

- Visual timetables are used as required.
- Small disabled toilet but no changing facilities
- As the school is over 100 years old it has stone walls around the perimeter of the building rather than a perimeter fence.

7. How does your setting adapt the curriculum for learners with SEND?

- Who will oversee and plan the education programme for a learner with SEN?
- What are the setting's approaches to differentiation?
- What is the setting's stance on changing some parts of the provision's routine to help learners with SEN?
- What activities are available to learners with SEND in addition to those available through the curriculum? E.g. social skills groups

COMMENT:

- Class teachers are responsible for the progress of children with SEND and therefore make adjustments to the curriculum and write individual SEND support plans for pupils.
- Differentiation is provided through additional support, adaptations to the learning through quality first teaching and differentiation outcome and resources
- SENCO is responsible for provision mapping each half term additional provision has included:- Fisher Famliy Trust, 1st Class at Maths, Wise Behaviours, Group play therapy, Lego Therapy and Speech and Language Support

8. Wha	at training have y	ur staff received to support	learners with SEND?
--------	--------------------	------------------------------	---------------------

- This should include past and planned training including Makaton, PECS etc.
- How do you ensure that all relevant staff (including peripatetic teachers, supply teachers, welfare supervisors, office staff) are aware of learners' needs?
- Do you access specialist expertise?
- Are there staff trained in the administration of medicines, feeding and providing personal care?
- Please include details of any relevant kite marks or accreditations

COMMENT:

- In the last three years staff have had professional development in Dyslexia; attachment; autistic spectrum; ADHD, Lego therapy, Group play therapy, Happy to be Me and Wise Behaviours, Team Teach
- We are currently writing My Plans for pupils at level 3 and above on the Sheffield Support Grid to ensure that all identified pupils have their specific needs identified
- School has access to Learning support, Educational Psychology Service; Speech and Language service.
- Staff are trained in administering inhalers and epi-pen; previously in administering diabetic medication. No training has taken place in feeding or administering personal care.

9. How do you communicate with and involve families?

- How does the setting communicate with parents about their child? E.g. email, homeschool book, parents' evenings?
- How does the setting involve parents in reviewing progress and setting targets for learners with SEND? How often do you do this? E.g. termly structured conversations
- Do you offer any parent training or learning events in relation to SEN?
- Do you have an SEND group for parents?
- How do you communicate with families whose first language is not English?

COMMENT:

- Commination with parents takes place via face to face meetings during whole school parents evenings and SEND Support plan review meetings. These take place termly and include both parents and children's views. Additional meetings are used when required. In some instances, home school communication books or emails are used.
- Teaching assistants provide 1:1 training for parents in the use of Numicon and how to support Fisher Family Trust when children are having an intervention within school.

10 How	loos the setting avaluate the effectiveness of its provision for
	does the setting evaluate the effectiveness of its provision for ers with SEND and how often does it do this?
OMMENT:	
	ick the progress of all pupils including those with SEND. We use this to identify Iditional provision required.
• We se	t individual targets for specific pupils on SEND Support plans and review ss against these.
• We ev	aluate the impact of additional interventions by establishing benchmarks and educed outcomes.
	ring of provision takes place by the Head teacher, SENDCO and other
11.What	support do you provide for the learners' overall wellbeing?
	o you monitor and provide support for the social and emotional wellbeing of
How dHow d	o you teach disability awareness to learners? o you help learners who struggle to make friends? o you support vulnerable learners during unstructured periods?
How d	o you support learners for whom school is a cause of anxiety?
assemwellbeWe runAt play	n weekly class PSHE sessions and cover themes related to this in school blies and P4C sessions; these provide support for all pupils' social and emotion ing and teach all children to be inclusive. In social groups for children to support social communication vtimes and lunchtimes we have activities led by Sports Leaders and staff for on to participate in.
10 What	kind of behavioural interventions do you use?
12. Wildi	kind of benavioural interventions do you use?
What s	support is there for behaviour, avoiding exclusions and increasing attendance?
	o you manage extreme behaviour?
OMMENT:	
school	ve a clear whole school behaviour support system which is reinforced in whole assemblies and class circle times.
parent	ve behaviour support plans for individual pupils which are communicated to s and staff.
	If have received training in positive handling strategies to de-escalate ance of all children is monitored half termly and attendance concerns are raised arents
therap	ve teaching assistants who are specially trained in Lego Therapy, Group Play y ad Happy to Be Me and Wise Behaviours programme which are specific entions to support emotional well-being and behaviour
	do you ensure learners with SEND are included in non-classroom a dativities?
	arners with SEND able to access all of the activities and how will the setting ass o do so?
How d	o you involve parent/carers in planning activities and trips?
OMMENT:	
visits a how th	is and carers are very supportive of the non-class based learning eg educationa and forest school learning. We inform parents about the focus of the learning an is will support and enhance school class based activities. Many parents ipany non- class based learning.
visits a how th	and forest school learning. We inform parents about the focus of the learni is will support and enhance school class based activities. Many parents
