Happy New Year

We hope you all had a wonderful Christmas.

This wasn't the start to 2021 we had hoped for but I wanted to say a huge thank you for your support and for the many kind words we have received. Secondly a public thank you to our staff who have done a wonderful job in getting remote learning and in school learning up and running in such a short space of time.

Remote learning is new to us all; staff, parents and children, so it is natural that it will take time to adjust to. Remember that it won't always work as smoothly as we may hope but we all need to be patient and remain positive. Remember your children will take cues for their response from you, if you are positive and have clear expectations of what you want them to do this will help.

A newly launched Healthier Together website provides a fantastic range of information, advice and resources for the public, families and professionals in South Yorkshire and Bassetlaw.

A group, led by Nicola Jay, Consultant Paediatric Allergist at Sheffield Children's, has developed the website and it is hoped that it will be useful for members of the public to access information on pathways, and also signpost for self-care advice.

Clinical psychologist, Dr Karen Treisman has prepared a short video introducing you to some rhythmic relaxation ideas including a butterfly hug by

She has a range of videos you may find useful.

Information about Special Educational Needs and Disabilities (SEND)

There is lots of information about SEND on the Learn Sheffield website. You can find details of the processes in place in Sheffield, contact details, how needs are assessed etc. The information has been translated into different languages too.

Contact Details

Many of the contact phone numbers we have for parents are incorrect. This has come to light as teachers tried to ring for parents' evening consultations. If your number has changed, please get in touch with the school office so we can update our records. Many thanks.
