INTRODUCING THE
LEADING PARENT
PARTNERSHIP
AWARD AT
STANNINGTON
INFANT SCHOOL

Stannington Infant School is working towards achieving the Leading Parent Partnership Award. The LPPA is a nationally recognised award achievable by schools who work very closely with the families of their pupils. The assessment is made by an external advisor.

What do you have to do to achieve the award?

We will work towards meeting nine different objectives before we can achieve the award.

These objectives are:

1. The school demonstrates a commitment to work towards the Leading Parent Partnership Award.
2. The school makes and implements effective plans to achieve and maintain the Leading Parent Partnership Award.
3. The school is a welcoming, communicative and friendly place for parents.
4. The school promotes the awareness and participation of all groups of parents in supporting their children's learning and developing their own learning. In addition, the school holds and actively promotes a programme of opportunities and events for joint parent and child participation.
5. The school provides a good induction for all new parents.
6. The school provides parents with relevant and user-friendly guidance and information to help them support their children's learning.
7. The school produces and implements parent friendly policies to establish effective home-school links and to improve children's attendance, punctuality, progress and positive participation in school.
8. The school provides good support for all parents as their children move through or leave the school.
9. The school summarises its achievements against the Leading Parent Partnership Award objectives and outlines its future plans.
