

Welcome to the Monthly Bulletin

The next issue will be out in March

February 2023

At Stannington Infant School we ensure that emotional health and well-being remains at the heart of our curriculum as we recognise the impact this has upon children's learning, attainment and behaviour. We have been involved in a joint project with Sheffield Child and Adolescent Mental Health Services (CAMHS) called Healthy Minds since 2019. The project focuses on developing the whole school environment to best support the emotional well-being of our children, staff and families and is co-ordinated by our Senior Mental Health Leads in school, Mrs Rachel Billingsley and Mrs Catherine Leaf.

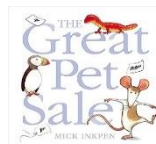

We would love to continue to improve our emotional wellbeing culture by you letting us know what you think is working best in our school and what more you would like for your child with regards to their emotional well-being. In order to do this please could we ask you to complete the survey using the link sent to all parents via parent mail? Your child will complete a survey in school with their class teacher along with school staff. We will collate the data from the survey to draw up our whole school community school action plan. We look forward to sharing our findings and action plan with you. Please look out for our Healthy Minds newsletter coming soon with news about our Healthy Minds Champions and what's been happening in school. Meanwhile take a look at the Healthy Minds section on our school website for more information about the Healthy Minds project.

## LOST PROPERTY

We have a large number of school sweatshirts / cardigans as well as hats and gloves **which are unnamed**. When the weather allows these will be outside by the white railings for parents to collect or pop in at home time to find missing items. It would be so helpful if you could name all your child's clothing items. Thank you

Uncollected items will be given to charity collections.

On Tuesday 7<sup>th</sup> February it is Safer Internet Day.

This year's focus is:

**'Want to talk about it? Making space for conversations about life online'**

As a school we will be spending the day talking and learning about how we all use the internet.

Please return your questionnaires to school this week

On Thursday 9<sup>th</sup> February we would like to invite all families to join an online webinar about online safety and how to start conversations about the internet.
