Year 2 Young Voices

What a wonderful time we all had at Sheffield Young Voices concert. The children sang their hearts out! They knew every word and every dance move and kept going throughout the rehearsal and concert. It was an absolute pleasure to take them and see the joy on their faces. What a credit to the school and families every single child was!

Well done Y2's you were amazing!

Short term administration of medicine – for example antibiotics

The school will only store and administer prescribed medication. Aspirin will not be administered unless the school has evidence that it has been prescribed by a doctor.

All medication provided to the school must be in the original packaging, complete with instructions.

Medication will only be administered at school if it would be detrimental to the pupil not to do so. Only suitably competent members of staff will administer controlled drugs.

Due to the interruption to learning and availability of support staff, short term medication (e.g. antibiotics) will be administered at the end of the morning teaching session. (11.45 / 12.00) or at the start of an After School Club session if children are attending Busy Bees (3.25pm)

If medication is required four times per day school will administer one dose (at the above time) unless your child is attending Busy Bees, in which case we can administer two doses. .

Other after school clubs will have their own policies.

Medication must be handed to a staff member - children must not bring any medication into school themselves.

A form must be completed at the school office prior to any medication being administered. Adults must collect and drop off medication daily - this will not be handed to pupils.
